

SSE and South Lanarkshire Council are funding the delivery of the Widening Participation programme to help residents of Rural South Lanarkshire to access training and job opportunities.

Once you have registered with this programme, our team of friendly staff will ensure that you are equipped with the skills and confidence required to find a long term job opportunity that suits you and your needs.

TRAINING INCLUDES

- Employability training; CV techniques, Interview Skills, Job Search and application and much more
- Confidence and Motivation through Coaching and Mentoring
- Sector Specific training and Industry Certification such as REHIS Food Hygiene, SAGE Payroll, SIA Licence and much more to help you access the job that you really want

Our team of experienced and friendly staff will ensure that you have the power to enhance your own employment opportunities.

Support and funding is also available for employers who are looking to provide job opportunities to local people. Support and guidance is available to help access employer recruitment incentives and business support from a wide range of partners.

When you register, you will have access to our unique online job matching-tool Jobspot.

Jobspot allows access to hundreds of live vacancies, training opportunities and apprenticeships as well as "How to" videos on topics such as interview tips and how to create the perfect CV.
