COMMUNITY SHOP AND FOOD COOPERATIVE

The Food Cooperative and Community Shop is open five days per week and the One Stop Shop staff try to source fruit and vegetables locally whenever possible. It was decided to open a food cooperative to try and encourage healthy eating within the community. A fresh delivery of produce is made every day. Orders can be taken for fruit, vegetables, butcher meat and fish. We also accept any unwanted items either new or old to sell in the Charity Shop. All proceeds are put back into the Charity and used to deliver services to the community.

FUNDING was received to publish this newsletter from **Community Food and Health** to promote Healthy Eating Initiative through the purchase of fresh fruit and vegetables that are available daily in the community shop and at the Post Office.

South Lanarkshire Council Q & A NEW DAY & TIME

South Lanarkshire Council Q & A Services are located within the Coalburn One Stop Shop facility on a Monday morning from 9.00 am - 11.45 am from **Monday 9th January 2012**. This new day is for a trial period only in order to try and encourage more usage of the service. This is a vital service for the community and must be used regularly in order for this service to be secured for the community of Coalburn and surrounding area. Some of the services available are listed below:

- Housing and Council Tax Benefit; Council Tax
- Rent; General Housing Enquiries
- Repairs; Special Uplifts
- Blue Badges (Disabled Parking Permits)
- Concessionary Travel Cards (for those with disability)

The above list is only a small sample of the range of services available as SLC Q & A fully trained staff are able to access and deal with enquiries of all council services.

So if we can provide you with help or assistance with a council service or enquiry please call in and see us we will be pleased to help. We also supply packets of dog waste bags free of charge. We are open every Monday 9.00 am - 11.45 am

RECYCLING SERVICE

Coalburn Miners Welfare Charitable Society provides a recycling service based in the One Stop Shop. Any unwanted bags, shoes, books, clothes and 'bric a brac' that is unsuitable to sell in the community shop can be handed in.

Anything generated from this service is put back into the community and stays in the community to deliver activities and services in the One Stop Shop.
